
TWEET-IE M30 Plenary meeting and Technical Workshop

Wednesday 28th May, 2025, 14:00-18:00 (UTC+3)

Online : <https://centralntua.webex.com/centralntua/j.php?MTID=md24358ef8f7454b5dc33119b6f3c3a>

AGENDA

Participants: TUM, TU Delft, KIT, POLIMI, NTUA

14:00 Welcome and opening

14:10-16:30 Technical Workshop

Presentations of TWT 1 and TWT 3. Experience and lessons learned :

14:10-14:20 [Effects of vegetation on flows in the urban environment \(NTUA, KIT\)](#). Presenting: Demetri Bouris

14:20-14:50 Round Table. Agree on main conclusions and takeaways

14:50-15:00 [Scale effects in urban flows \(NTUA, TU Delft, KIT\)](#). Presenting: Nikos Pallas

15:00-15:30 Round Table. Agree on main conclusions and takeaways

Presentations of TWT 2 and TWT 4. Experience and lessons learned :

15:30-15:40 [Wake interactions of a cluster of turbines and wake steering technique \(NTUA, TUM, POLIMI, TU Delft.\)](#) Presenting: John Chondromatidis

15:40-16:10 Round Table. Agree on main conclusions and takeaways

16:10-16:30 [Micro devices for enhanced performance of airfoil sections \(NTUA, POLIMI\)](#)

Update from ongoing experiments. Presenting: Konstantinos Kellaris

16:30-16:45 Coffee Break

16:45-18:00 Progress of Work packages

18:00 end of meeting
